Re: WC Docket No. 10-90 – Annual Reporting Requirements for High Cost Recipients §54.313(h)

On June 18, 2012, Goodman Telephone Company (the Company), Study Area Code 421886, mailed its annual report and certifications required by Section 54.313(a)(2) through (a)(6) of the Commission's rules. This letter supplements that report by providing information required by Section 54.313(h) – Additional voice rate data.

Section 54.313(h) requires all incumbent local exchange carrier recipients of high cost support to report all of their rates for residential local service, as well as state fees as defined in Section 54.318(e), and the number of lines for each rate specified, to the extent the sum of those rates and fees are below the rate floor. Carriers are to report the rates and lines in effect as of June 1.

Goodman Telephone Company has no residential local service rates, including state fees, in effect June 1, 2012 that are below the rate floor of \$10.00.

Sincerely,

W. Jay Mitchell  
Vice President
